SEDBERGH FOOTBALL CLUB
Since being reformed in 1979, Sedbergh Football Club has gone from strength to strength.

The team won its first honour in 1984 beating Shap Res. 3 - 2 in the Mason & Freeman Cup Final, a great achievement under manager Brian Waters. Last year the team were beaten 3 - 2 in the Junior Cup Final but managed promotion to the First Division.

This year there are two teams. The first team in Division 1 under manager Gordon Gardner and the second team under manager Gary Woolf in Division 2. There are about 40 players in the club.

Running costs for the Club are always on the increase with insurance for the players, travelling expenses and referees to pay. There is a very hard working committee helping to raise funds with events such as the duck race, disco's and sponsored events.

The Treasurer of the Club, Sam Allinson, would like to thank the tradespeople of Sedbergh who have sponsored the home games over the last two seasons, in particular Mr. Bob Udale and Mr. Adrian Horsley who kindly provided playing strips for the two teams. Also to those people who have given generously to our fund raising.

Mr Allinson has entered the Dentedale Run hoping to raise money for the Club and the Sedbergh Playgroup. He would like to hear from anyone who is interested in sponsoring him.

The team would also like to hear from anyone who would like to support the home matches but is unable to get to the playing field for any reason. Transport would be gladly arranged for them for before and after the game.

Enquiries to: Mr. Sam Allinson,
31, Fairholme, Sedbergh

SEDBERGH

Well, here we are, the first issue of the newsletter which has been in the darkest depths of my mind for about two years and is now a reality.

I would like to thank everyone for their good wishes and those who have contributed articles and adverts (they bring in the money to finance the paper).

If you have anything that you would like to see in print so that others may benefit, pass on your information to myself at 3 Castlegarth or Miss Southern at Pippin Cottage, Main Street, Sedbergh.

If you have any suggestions about what you would like to see, then let me know. One suggestion already is a Births, Marriages & Deaths section.

There have been a few suggestions for the name of the paper, including Whicker's World, and the winning entry will be used on the next issue. The winner will receive a record token.

I hope that you find something of interest to read in the paper but if you don't, tell me what you would like to see. After all, this is YOUR paper, so help to make it a success by sending in your articles. The last day for submissions for the next issue is 24th March.

I would like to take this opportunity to wish you all a happy Easter.
