CITIZENS ADVICE BUREAU

Free help with debt problems!

Did you know you could get free expert help to deal with debt problems? The Citizens Advice service gives confidential, independent advice on managing money problems and there's no charge at all. Unlike many internet scams, there isn't a catch with Citizens Advice – they are an independent charity and all their advisers are fully trained.

If you, or someone you know, is struggling with debt, then you can get help now. Call 015394 46464, arrange an appointment, and start to learn how you can find the light at the end of the tunnel. The adviser will help you to assess your total financial position, decide which are your priority debts, maximise your income, and negotiate rescheduled payments. Often clients

think there is nothing more they can do, but their adviser can suggest options they had never thought of before.

Many people hide their heads in the sand – or don't open the envelopes – and hope it will go away. But facing up to debt, with the help of a friendly expert, is the way to break free.

Free, confidential advice and help is available from South Lakes Citizens Advice on any aspect of debt, consumer problems, benefits, housing, employment or any other problems. We have various outlets across South Lakeland and can also give advice over the phone – telephone 015394 46464 for an appointment and help. South Lakes Citizens Advice is a registered charity, No: 1118656 and company limited by guarantee, No:6113551. FRN: 617574.

THE FUTURE IS BRIGHT THE FUTURE IS BS 381C No 539

As the Dale is having a bit of a spruce up at the moment with road repairs, verge tree removal and filling in some gaps in the walls, Garsdale Parish Council thought that it would be a nice idea to repaint the rather faded telephone box on the street. Clerk was duly instructed to ask BT for permission to carry out the necessities and after trawling through mountains of 'customer help desks', none of which purported to help parish councils paint telephone boxes, clerk eventually found an obscure site about payphones and

sent off an email. Clerk was amazed that just 2 days later, a reply was received granting permission. What a result! We could get a couple of volunteers together one day and give the box a wash and rub down, slap a couple of coats of paint on and 'Bob's your uncle', job done.

However, reading further, apparently we had to comply with the guidelines set out in Appendix A, 'see attached' it said, and by the way, BT accepts no responsibility for anything. Fair dues, we thought, it's only a phone box and unless Doctor Who is in residence, what harm can come of it?

After downloading the 3 detailed pages of instructions, I have made a much abbreviated version:

Step 1. Take photos

Step 2. Cover all internal components.

Step 3. Remove all external vegetation and debris after advising the owner of such vegetation and debris, giving him/her the opportunity of removing it him/herself. No chemicals can be used and no damage to parent plants. A polite and considerate approach to the public shall be maintained.

Step 4. Sheet around the housing to prevent paint debris escaping work area, no doubt after erecting warning signs: 'Danger! Loose paint on the run!'

Step 5. Guarding and warning arrangements must be provided. Is there anyone who has a WWII helmet and an Enfield rifle who can stand

watch for us, and has anyone got one of those wind up air raid sirens?

Step 6. Display conspicuous notices "Wet Paint – Housing out of Service".

Dr Who will have to stay somewhere else for awhile.

Step 7. All waste to be disposed according to "Environmental Protection Act 1990".

Step 8. No paintwork to be stripped by chemical means, only by mechanical means agreed with BT with no risk of exposing any person to health risks. Methods should be in place to protect the public or operator from lead poisoning... we'll have to dig out that old deep sea diving gear out again with the breathing apparatus, then. Leave the site clear of debris at the end of each working day....and here's thinking we'll be done and dusted in a day, this could take all year!

Step 9. Ensure edges of the power guard are sealed to preclude ingress of liquid during cleaning and all surfaces to be clean, dry and free from corrosion. No painting in temperatures under 7 degrees. Better wait for a heat wave, then, as it rarely gets over 7 degrees in Garsdale.

Step 10. Do not paint door hinge straps or arm joints, whatever they are and paint to be applied according to manufactures' instructions, what, more instructions?

Step 11. Only external quality fillers to be used, compatible with the paint system, allowing adequate time for curing before painting abiding by appropriate safety precautions as indicated by the paint manufacturer such as "external use only, do not

swallow”?

Step 12. Sheet protection shall be applied to neighbouring properties and floor areas. Better order some more sheets than if we have to cover all the houses in Garsdale.

Step 13. Apply 2 coats of finish paint, housing to be first painted in BS 381C No 454 then one coat in red (Yippee, at long last!) to BS 381C No 539.

Step 14. White to be applied to ceiling areas down to ventilation openings with a clean horizontal break line to corner pillars, black to external base.

Step 15. Remove all drips, except Dr Who, from glass, floors and pavements if they've managed to sneak past all that sheeting!

Step 16. Make sure all regulations are adhered to with regard to Health and Safety to others and yourselves especially in accordance with 'Control of Lead at Work Regulations 1998'.

Step 17. Take photos.

Phew, all done!

So, if you happen to be in Garsdale in the next few weeks and notice the houses and roads shrouded in sheets, helicopters patrolling the skies, army units deployed with PK45's and what appears to be men with bomb disposal armour clomping down the high street, don't be alarmed, it is not the start of WWIII, just Garsdale Parish Council painting the telephone box.

Back to reality, rock cakes have been made and left out to become stale and hard in preparation for the Parish Bun Fight, sorry, parish meeting, to be held on May 12th in Garsdale Village hall at 7.00pm. All are invited but only Garsdale residents noted on the electoral role will be able to speak.

SEDBERGH & DISTRICT ART SOCIETY

For the final two events of the winter season we were very well looked after by June and William Allen who ensured the Methodist Hall was warm and inviting. This venue is very popular with our members.

We achieved our maximum number of participants for the workshop with Bob Henfrey on March 5th. The theme was 'Moving towards Abstraction with Landscapes'. We worked with materials of our own choice. Bob was, once again, an excellent and inspiring tutor. He imparted his experiences of landscape painting with a depth of insight and with an enthusiasm that made for compelling listening.

He broke all this down into manageable steps for us and ensured every person was encouraged and supported. There were some excellent results – perhaps we shall see some of them in the Exhibition this year?

This workshop was followed quickly by our last meeting and demonstration, featuring Greg Howard with his soft pastels. His theme was 'Beach, Sunset and Reflections'. No-one seemed to mind that it was in fact an early morning scene! Most intriguing was the way he began with a white smudge, which he then extended to the edges of the paper, deepening the colours. This gave a wonderful effect of light as he added the rest of the picture - the rocks, the boats, some walkers – and a dog at our request! The effect was quite ethereal. He included in his commentary many very useful tips. We all took away a memory of a beautiful picture and some ideas to try out.

Now we are busy planning next year's activities. Before that, though, is the Exhibition, which will be taking place in the Sedbergh School Library from the 18th August, up to and including the Bank Holiday. See you there!

TIM FARRON MP

A lot of my time this month has been taken up with issues raised by farmers. Now I know farmers can grumble a bit but in this case they really do have good reasons and one of the main ones is the Rural Payments Agency.

The more I look into the problems that farmers have with getting their payments from the Rural Payments Agency the more convinced I become that the Agency really isn't fit for purpose. Shambolic is one of the milder words I have used to describe the way that they operate.

Over the past 10 years we have seen over 300 farmers get out of dairy farming in Cumbria. That is nearly a third of all the dairy farms in

Cumbria. I know that there is meant to be a global glut of milk at the moment but surely we cannot afford to lose nearly a third of our dairy farmers over such a short period of time.

But to be frank who can blame them? Milk prices are simply too low for them to make any money. One of the key things that has been helping many of them through is the farm payments they are meant to receive from the Rural Payments Agency and so when this body fails to do its job then wouldn't you give up too if you were in their position?

Sadly, it's not just dairy farmers who are affected by the problems with the payments agency. The latest figures suggest that nearly 20% of all farmers have still to receive their 2015 payment. If you are unlucky enough to farm on common land (and quite a few farmers do in Cumbria) then you will almost certainly still be waiting for your payment as the Agency has decided that common land is more complicated and so will have to wait until all the other payments are sorted.

I have written one of my more strongly worded letters to the DEFRA Minister in charge asking him to sort things out. What makes it worse is the agency is pressing farmers to start to complete their applications for their 2016 money, but if they have not had a response to their 2015 application how do they know what to put into the one for this year? The man in charge of the RPA earns nearly £160, 000 per year, much much more than almost all farmers in

South Cumbria. For this I think farmers expect a much better service.

Away from farming another issue that I have been working on is the state of our roads. When the flood waters dried up we all noticed a lot of new potholes but despite all of their promises the Government has reduced the amount of money that Cumbria County Council will have available to repair them by almost £1 million compared to last year. If you pardon the pun that is a very big hole for the council to fill. I am doing all I can to help the council find the extra money that they will need.

As ever if I can help you with these or any other issues please do get in touch, email me at

Storm Desmond and the record rainfall of November and December 2015 will cast a shadow over the area for a very long time. We will have reminders of flood debris caught high in trees alongside rivers for many years to come. It is to be hoped that the immediate damage to houses, roads, road bridges, footpaths, footbridges will be remedied in a shorter timeframe.

possible about wider drainage networks leading down off the fells and across fields to understand the causes of flooding. The houses that were affected by Storm Desmond in Sedbergh were not located near the river but close to the culvert that runs from the playing field near the People's Hall, underneath the Doctors' Surgery and Spar and past Guldrey. There is ongoing work with cameras lowered down into the culvert to understand what may have caused the water to spring up in the Guldrey area. Similar work has been done around Loftus Hill.

However, there is probably a wealth of information contained in people's heads that might help the council

form a better picture of where water runs in periods of high rainfall. Landowners are the obvious first port of call to find out what happens on their own land but there may be other sources of information - former lengthsman, people who work or used to work on the land, old maps of the railway and other documents.

The council will have a database showing where all the gullies (the metal road drains) are on the highways themselves and how these connect to carrier drains but there is missing information about what happens when the water is directed off the highway and across the adjacent farmland. Should anyone have information about this sort of drainage that they feel might help

SEDBERGH LABOUR GROUP

The Iron Rail to Nowhere.

I have always considered my generation a lucky one. We were the ones whose parents had fought Hitler and who wanted to create a better society for their children and grandchildren.

So what did they do? They destroyed Winston Churchill's Conservative dream of returning them to the poverty and inequality of the 1930s and voted for a brighter future by returning a Labour government.

Nye Bevan it was who ensured that everyone who needed it had free access to health. A Council House programme was instituted; tertiary education was expanded and our brightest young people were able to attend Universities free of charge. Transport, energy and water were taken out of the hands of inefficient private owners for the benefit of all. I will let you continue the list as a reminder of what the Tories have

destroyed in their desire to make Churchill's dream a reality.

The Labour Party has always had fairness and social justice at its heart and points to a better future for all.

The Tories have only their iron rail to nowhere to guide them.

Recapture the spirit of 1945 on May 5th!

Please everybody take this election seriously and go out and vote on May 5th. I am standing as the SEDBERGH candidate and, being active in many local organizations, I am sure that I could represent the town well on the District Council.

It has come to my attention that South Lakes Housing have decided to end Sheltered Housing in Sedbergh. Nobody will be made homeless, but some of the weakest and most vulnerable in our community will lose their support. Their alarm system will cease to be supported; there will be no warden service, though people can pay to have a telephone check every fifteen days. Gladstone House is to go and with it all the support that these frail and vulnerable people need.

Join with me in fighting this latest CUT!

PEOPLE'S HALL

CAN YOU HELP? THE PEOPLE'S HALL?? ... to keep the People's Hall open???

It will be seen from the report of the People's Hall AGM and the Management Meeting held the same day that the Committee has been unable to fill the vital vacancy of Treasurer.

In 2005 the Hall Committee faced a similar problem just after I took over as Chair. The number of Trustees had dwindled to a number too few for the Hall to continue to serve the users in our community. An Emergency General Meeting was called in April 2005 of all the then users of the Hall with the message that unless new

Trustees came forward the Hall might have to reduce its availability or even close down. The users responded splendidly and full Committee membership was achieved. Some of those new Trustees are still serving, such as Anne Petyt, Kath Swift and Gina Barney (for Josie Templeman). And Sean Hobson has just retired.

The People's Hall is in a slightly different, but similar situation today. Although we have ten Trustees, their present commitments to the Hall and elsewhere does not allow us to fill the posts of Treasurer and Bookings Secretary from their number. We are therefore calling on two people in our Community to offer themselves for these tasks.

To help let me explain the tasks.

TREASURER

As you would expect the Treasurer keeps the books, manages the invoices, payments, etc. just as treasurers of other organisations and bodies in the Town also do. The activity is continuous, but not intense and only fills a half page on the monthly bank statements. The most active time is at the year-end in September. To give an idea the turnover in 2015 was under £16,000. The "books" are currently kept in ledger form, but could easily be converted to spreadsheet form. This would be an ideal opportunity for anyone interested in acquiring spreadsheet experience as training is available. The work only concerns the General Account. The high turnover of the last three years (some £350,000) concerned with the Redevelopment Work is handled by our Secretary (Gina Barney).

BOOKING SECRETARY

The Booking Secretary "runs" the booking system. The task is: receives booking requests, checks them, gives provisional confirmation, issues an invoice, confirms the hire when payment is received and passes the payment to the Treasurer. The work is not intense, but generally requires a weekly activity. There are occasions when advice is given to hirers, usually new ones, regarding facilities and costs. This task could be part of the Treasurer's role. At the present time, day to day activity is focussed through the Sleepy Elephant, who act as the Hall's booking agent.

I am sure there are folk in Town,

who could help us. We make this appeal now and warn that we can only manage between us for a short time. If no help is offered we will need to call an Emergency General Meeting in June to find a solution, including closing the Hall.

If anyone wishes to discuss the tasks, please contact me, or our Secretary (Gina Barney on 015396 20790) or Elspeth Griffiths (on 20677), who we are grateful to for standing in at the moment, and she can give guidance.

With great hope,

*Steve Longlands Chair of People's
Hall Management Committee.*

CHRISTIAN AID WEEK

in Sedbergh and District

Christian Aid Week's events are beginning here in Sedbergh and District on Saturday 14th May with our door to door collectors beginning to drop off envelopes and picking them up until the following weekend. Extra collectors are always valued as we don't have sufficient at present to cover the whole of the town and district. (If you'd like to help please have a chat with Cynthia Thompson or Anne Reed Screen or other members of the committee). Please look at the advert in this edition of the Lookaround for details of what is on as there are slight changes this year; principally that Dent is moving its

coffee morning from Christian Aid Week to June 18th running from 10 to 11.30am in Dent Memorial Hall.

Local Churches will be supporting the week, not only through members helping out in the various activities but also in prayer and focus on the work of Christian Aid in services during the week, particularly at the joint Ecumenical Pentecost Service at 10.30 in the Methodist Church.

The Christian Aid Week's coffee morning is on Wed. 18th May in the URC rooms, Sedbergh. There will be the usual array of stalls; home baking, raffle, bric-a-brac etc and contributions to them are always most helpful and particularly to the bric-a-

brac this year.

The money raised goes to enable people to lift themselves and their families out of lives of terrible poverty. Morsheda, a mother of four in Bangladesh, is a typical example. Her story is told on the Christian Aid website at <http://www.caweek.org/> story. Briefly for those of you with no access to the internet her situation is as follows: Morsheda has no land, few assets and no savings. For Morsheda's family living on low-lying islands in the Brahmaputra River, floods are a terrifying part of everyday life. Morsheda can't even count on having a safe place to call home: the single-room, corrugated-iron house she shares with her children has been flooded four times. She says 'I feel very scared of the river. When I look at it I keep thinking "it is coming". If I could raise my house then I would feel much safer living here with my children.'

Morsheda and her children live a

precarious life. They know that the floods will come again, and soon. But we can lift our neighbours like Morsheda to safety.

Just £250 is enough for a Christian Aid Home Safety Package. It could flood-proof Morsheda's home, raising it eight foot on an earth plinth, so that she has a safe place to rebuild, keep livestock and grow crops. It could also buy a goat, seeds and a wormery to help produce compost – all of which will give her a long-term income and a solid foundation for a new life.

Locally we have become more aware of the devastating impact of flooding on individuals and families and how much bit of help from others, known and unknown, can lift the spirits and raise a sense of hope in the bleakness of hardship. That kind of help is what Christian Aid is about.

DENTDALE W I

It was a pleasure for all at our April meeting to arrive in daylight after the long dark winter evenings, with eighteen members and two visitors we were in good spirits.

Our information table had details of a celebration Dinner to be held in honour of Her Majesty Queen Elizabeth's 90th Birthday. To be held on 15th July at the Castle Green Hotel in Kendal and several members are looking forward to attending this event.

There were three choices of venue for our next Dining Club outing with The Bay View Café/Garden Centre being the favourite. Ideas were requested for our summer outing this year, suggestions included Leighton

Hall, Newby Hall or Skipton visiting the Castle and taking a canal cruise.

President Marion Feltham led the business matters for the evening commencing with a big thank you to all who helped proved teas and refreshments at the Dent Run held in March. At this popular event in the Dale, there is always a great community spirit to welcome the runners.

Our Craft Group are once again busy producing items for sale at our Mini Market to be held on 29th July this year but their main priority is to construct a 12" high freestanding Lamb which will be entered in the Competition at the Lune Valley Group meeting in May, this year hosted by Howgill WI. The competitive spirit is strong and we are determined to bring the Competition Cup back to Dentdale.

Two of our members attended the Federation Half Yearly Council meeting on 21st March and thoroughly enjoyed a humorous and entertaining talk given by guest speaker Jo Hampson who talked about her life as a Police Officer and of more recent times the successful proprietor of Penrith Smokehouse.

On a more serious note Marion shared details of an advisory letter received from our Federation office in connection with Public Liability Insurance and Risk Assessments for all WI meetings and events. Whilst common sense and awareness are paramount, sadly accidents do occasionally happen and good planning is always worth doing.

Finally it was time to welcome our

speaker for the evening. Marion welcomed Gordon Fletcher who kept us all entertained with his slide presentation of a recent trip to Greenland with its ice cap and icebergs. Beginning with the flight over the breadth of Greenland in a small aircraft (the size of a small bus) as Gordon explained, that was capable of landing on a short landing strip. Important when ice free land is at a premium. Photographs from the air showed what appeared to be a smooth sparkling snow field covering most of the country. As later slides showed this was not the case as the ice cap comprises fissures, deep crevasses and constantly moving glaciers. The sea is full of icebergs of all sizes and from October to March

access from the sea is not possible as the sea freezes over. All imported goods have to be delivered by air. Fortunately the sea was not frozen when Gordon visited and he was able to travel by Kayak to see some of the most magnificent and potentially dangerous Icebergs close up and personal.

He ended his talk with breathtaking shots of the evening sky and cloud formations leaving us all keen to follow his footsteps and visit Greenland.

The evening ended with tea and Marjorie's homemade biscuits. Our lucky raffle winners were Sheila and Sue and the winner of our competition was Dorte-Lis.

Another successful evening was

HOWGILL WI

We met at Firbank Church Hall on April 7th. President Bridget Postlethwaite welcomed fourteen members and three visitors. We had news that Joan Luffman is now recovering at home following a stay in hospital. We would like to say Get Well Soon Joan.

Bridget and Audrey attended the Council Meeting held at the Town Hall in Kendal. Speaker Jo Hampton spoke about her career as a teacher and policewoman in London before

moving up north to Penrith to run The Smokehouse. Jo is now joint owner of Shap Chip Shop, gaining the award of Best Newcomer and achieving the Quality Award within six months of opening. This award set the benchmark for quality within the industry and encourages more outlets to raise their standards.

Our speaker Adele has been interested in making jewellery from an early age. Since school she has taught at Lancaster College until adult education was phased out. She now runs private classes. In a log cabin in her garden there was a collection of her work on show for us to view or purchase.

We were all keen to take part in a

Well! Today has been a beautiful day – chilly but with lovely sunshine and huge fluffy clouds in a glorious blue sky. A real tonic! In the field behind our house are seven bouncing black lambs (and their non-bouncing black mums), - glorious to watch. No racism in Sedbergh but plenty of racing between the lambs! to do with Killington WI's meeting, and you would be right, but I am a great believer in "Look your last on all things lovely, every hour." (Browning?)

Sadly, this month we have lost one of our dear members who always did just that. Joyce Bird died early in the month and I shall miss her greatly. She was one of the first people I met when we moved to Sedbergh 19 years ago. We struck up a conversation about flowers, in Powell's, and Joyce invited me to go with her to Lakes Flower Club. There, somebody else invited me to Killington WI giving me an introduction to many happy times and great friends. Joyce always looked on

the bright side.

Our April meeting followed the usual course, business, speaker, tea, chat and a mini quiz. Maggie drew our attention to the items of interest in the Federation Newsletter and lists were duly filled in. We are looking forward to the Group Meeting at Howgill in May but perhaps not so much looking forward to making a model lamb for the competition!

Our guest speaker, Michael Millington, was particularly welcome as he is the son of Lorraine, one of our members. Mike's talk was entitled "Why can't you play golf like everyone else?" Several members came expecting to hear about a new way of playing golf but that was far from the mark. Michael had started kayaking as a youngster and while at university had gathered a group of like-minded friends and together they have paddled in many distant lands. At first they kayaked on fairly innocuous

rivers but now, the more ferocious the rapids, the better! His trips have taken him down the Sun Kosi River in Nepal; a fortnight kayaking the Colorado and Grand Canyon; to the white waters of New Zealand; to tropical rivers giving a quite different experience; and many other places, the names of which must have gone into faulty brain cells in my head! We also learnt of the perils of taking their equipment through airports, dealing with officious customs officers, plus loading it onto rickety bus roofs. It is a fact, universally acknowledged, that before one can kayak down rivers with their sources in high mountains and melting snow and ice, then one has make hair-raising journeys to get there! The title of his talk came

from a comment about his hobby, made by his worried mother! We were pleased to hear him say that the Lune and Rawthey provide some of the best kayaking waters in Britain.

This month's competition for something beginning with "I", was won by Anne Jones with an iron, not the latest super steam type but one which was heated by filling its fire-box with red-hot cinders. The beautifying raffle prize was won by Edith Gerrard. If you come to our next meeting, at which you would be most welcome, you might win a scintillating raffle prize. You would certainly learn lots about "Hedgehogs", under the tutelage of our speaker Rowan Worsman. You could bring along an item beginning with "E", for the competition. The meeting will start at 2-0pm sharp (or perhaps 'prickle'), on Tuesday 10th May 2016 in the Committee Room of the People's Hall, Sedbergh. (LA10 5DQ – for your sat nav!) Wendy F.U.

SEDBERGH WI

"Craft Miscellany": that was Ann Wright's title for her huge display of craft articles which amazed us by their sheer variety on April 13th. Only a close-up video could do real justice to the vibrant colours and textures and design skills exhibited in her many patchwork garments and quilts. In addition to those, she showed us beautiful objects created as a result of attending workshops in woodturning, pewter and silver craft, sugar flowers, beadwork, drawing and painting (which she did somewhat reluctantly but successfully

under pressure from her art teacher!) and photography. Decorative, intricate fabric boxes, only one patchwork bag (because everyone does those, she said!), and other items too numerous to mention, completed the display which we were able to view at close quarters after Ann had completed her presentation. Some of our members are skilled in a number of crafts but nobody could possibly compete with the great range Ann had successfully tried out over several decades. Those of us whose experience of crafts is very limited were fascinated and humbled by it all! As someone remarked, Ann could fill a Sedbergh Spring Show on her own!

The book group met at Anne Petyt's home in Killington the next day after carefully negotiating the flood-damaged road. "The Fever Tree" had transported us to late 19th century South Africa where a young doctor had discovered that the political leader, Cecil Rhodes (not named in the book), and the owners of diamond mines were trying to cover up a smallpox epidemic which could have brought them financial ruin. Author Jennifer McVeigh discovered the

doctor's diary in the British Museum and was inspired to write this, her first novel. Through the eyes of Frances, the main character, who was obliged to go to Africa to avoid an even worse fate in England when her father's death left her penniless, we see the bleakness and the beauty of the country and the climate, the hardships endured by the settlers, and the terrible conditions and human suffering of the native workers in the diamond mines. We all felt we could recommend the book to a friend and gave it an average score of 8.

The walking group were planning a local walk from Cautley to Sedbergh on April 21st, their main focus at the moment being arrangements for their holiday in Shropshire in May. This unfortunately coincides with our next meeting on 11th May so they will have to email us their votes for the WI national Annual Resolutions – or we might even try to set up a Skype link. The important thing for those of us still in Sedbergh to remember is to bring along some food for the Jacob's Join supper! Polish up your general knowledge too because Sandra is organising a quiz! *Moira Folks*

For those of you who are not familiar with the Charities they are responsible for the maintenance of the Reading Room and Market Hall, currently let on a long term lease to Cumbria County Council for the library; the maintenance of the three almshouses at Palmers Hill and two funds which provide assistance for educational purposes and support to the needy.

The Charities are managed by trustees drawn from the local community who meet quarterly to review the business and approve expenditure and policy matters. For the past twenty years the day to day business of the Charities has been managed by Richard Cann, the Clerk, who has singlehandedly organised the efficient discharge of the trustees' responsibilities. After this long and dedicated journey as the Charities' Clerk Richard has decided to retire.

Whilst it would be nice to replace Richard with another Clerk, responsible for the overall management of the Charities, the trustees believe this might prove to be too onerous a task and we are

SEDBERGH & DISTRICT BEEKEEPERS

Members old and new were welcomed to Sedbergh Peoples Hall on the occasion of the S&DBKA 2015 AGM on 24th March. **Club Chair, Enid Hastings** began the meeting with an interesting overview of the challenges faced by bees and beekeepers across the country, with the weather being responsible for many of the problems encountered. Not surprisingly, Honeybees cannot forage in cold, windy conditions, let alone in the rain. A whole year of regularly inclement weather resulted in poorly mated queens, fewer worker bees and lack of nectar – it was being washed out of the flowers by

the never ending rain. In August warnings were issued by the British Beekeeping Association, informing us that honeybee colonies were starving. Their recommendation was to feed them early to ensure that they would be strong and healthy going into winter. Varroa mites & deformed wing virus remain a threat, while small hive beetle and the Asian hornet still threaten from across the Channel.

Trophies:

The Lunesdale trophy, for the most successful number of entries in our annual Honey Show, was awarded to Kevin Seward.

The Novice trophy was awarded to Nick Fecitt, in recognition of a very trying first year of beekeeping.

The Elgin trophy, for our Beekeeper of the Year, was awarded to Tommy Brooks. Tommy does a fantastic job supporting the club & its members. He is always there at our coffee mornings at the URC with cakes made by his family and always prepared to help members old & new, sharing his wealth of knowledge & experience.

The Secretary gave her report on club events through 2015. We had a busy year including; our club supper at The Pheasant, Casterton, a talk from David Walmsley from Furness Beekeepers, many interesting apiary meetings, club BBQ and our annual coffee morning. Our show season kicked off with Sedbergh Gala, followed by a whole weekend at Country Fest, a lovely day at Sizergh Castle for their NGS day and the Lunesdale show.

developed a new website, which is proving successful and Louise has set up a club Facebook page. Our beginners' beekeeping course was also a success, run over ten weeks at Barbon Village Hall, it gave new members a good grounding on which to start their beekeeping journey and older members a chance to brush up on particular topics.

The Treasurer reported our membership figures for 2016 in addition to the clubs financial standing and accounts for 2015. Purchases in 2015 included tables and a new observation hive. The observation hive has been a great investment and has attracted many visitors to our stand at the various different shows.

Officers were elected and AOB discussed.

Can you help us? We would like to be able to have a club Apiary (a place where bees & beehives are kept) in Sedbergh, where members can meet and which we can open to those interested in beekeeping, for a couple of hours on a Saturday/Sunday morning. The location needs to be fairly rural with reasonable on foot access and parking not too far away, with the possibility of a field shelter/ shed or small barn where we can stand with a flask of tea, out of the wind & rain! Traditionally beekeepers paid land rent in Honey for the use of small parcels of land; alternatively we could pay a small annual rent.

If you think you might be able to help us, please contact Louise Pauley – Club Secretary, by email – secretarysedberghbka@gmail.com or by phone on 015242 51549.

DENTDALE CHRISTIAN FELLOWSHIP

We met on Easter Sunday evening and shared together as we celebrated Jesus is Alive, then on our Friday Food with Fellowship we linked up with 50 nights of prayer some friends are undertaking and after the meal we chatted until our friends arrived and then prayed for the locality and needs known to us from 12-3am. Yes you read that right ..midnight till 3am! I take my hat off to them, they do that every night, I struggled with once, going to bed at 4.30am when I often get up at that time when I am not well was a real challenge. That made me think about how following Jesus is one long challenge and how glad I am that "He is mine and I am His"

A colorful advertisement for a family fun day. At the top, it says 'HARDY SOFT PLAY HIRE' in a playful font. Below that, 'FAMILY FUN DAY' is written in large, multi-colored letters. The date and time are 'Monday 30th May 10am-4pm @ Millbeck, Dent, LA10 5TB'. A yellow starburst graphic says 'FREE ENTRY CAR PARKING £2'. A small box in the top right corner says 'NO CASH MACHINE IN VILLAGE'. The central part of the ad features a pig mascot in a red dress, a green and blue inflatable slide, and a castle. Text lists activities: 'BALLOON RACE 3PM', 'Lots of activities including Dent pre-school Balloon Race', 'Local Crafts and Business stalls', 'Car Boot Sale', 'Refreshments available', 'Free Bouncy Castles', 'Free Soft Play', and 'Free Mascot visits'. At the bottom, it says 'To book a stall or for more information, please contact us:' followed by the website 'www.hardysoftplayhire.co.uk' and phone numbers '015396 25829 / 07725 834699'. CHURCHES TOGETHER

News from St John's Church, Cowgill and St Andrew's Church, Dent

May is always a busy month in the life of the churches, it's as if the joy of the Resurrection gives the church a rush of energy and new life as we go into May!

The churches continue the '**Food for thought**' series on May 14th, 6pm in the Memorial Hall. We share a lovely informal time of fellowship and a shared meal (some kind person is bringing a big pie this time!), followed by a short gospel message and

discussion. Everyone is very welcome to come along and join us.

On May 1st **we are having a 'Pulpit Swap' at Dent.** The Rev **Andy McMullon** will take the service and the Vicar will be taking the service at St Andrew's Sedbergh.

On May 8th **we welcome the Archdeacon, Penny Driver to our service at Dent.** She will have an opportunity to see the new facilities which are being installed in the old bier room.

On May 15th, **we have the Lambing Service at Cowgill at 2.30pm,** where a new season's lamb and ewe is blessed. Last year this lovely celebratory occasion had the addition of a sheep dog being blessed too!

Andrew's, when over 200 people filled the church is still very vivid. The congregations from the Anglican, Methodist and United Reformed Churches in and around Sedbergh joined together to celebrate the Great Feast in a moving and exhilarating service. This was a wonderful example of the Christian community working together and a positive demonstration of the progress that is being made to develop a Mission Community of the Western Dales. The next important day in the church calendar is Pentecost or Whit Sunday on 15th May when all the churches will once again join together in St Andrew's for what we hope will be another memorable service.

Pentecost also marks the beginning of Christian Aid week and you will soon be receiving envelopes for donations. We hope you will give generously. On Wednesday 18th the Christian Aid Coffee Morning will take place in the URC.

After a plethora of Annual General meetings when we have reviewed the events of 2015 we are now looking forward to the Music Festival which starts on Sunday 29th May and lasts for two weeks which will just give us time to catch our breath before the Summer Fair on Saturday 16th July. Once again we will be sharing the day with the Red Lion and we hope that the weather will be kind and ensure that there is a warm day for

If you or yours have ever served in any of our armed forces and you feel that the Royal British Legion can help you in any way, please call 0808 802 8080 (free phone).

Your local Sedbergh Branch meets on the second Thursday of every month in the White Hart Club at 7:15pm and needs new members in order to keep up its good work.

You do not need to have served in the Armed Forces to be a member.

Membership costs £16.00 - call 21575 or 20964 or email: jd@jdifa.co.uk or dmparratt@gmail.com for a form.

fun for all.

On a sombre note we have to report the death of two very long serving members of our congregation. Alf Hooper, one time churchwarden and lifelong supporter of the church, who moved to Bridgnorth a year ago, was cremated locally but we will remember his life at a memorial service on Monday 23rd May. Joyce Bird joined her husband, John, who died earlier this year; her funeral was on Wednesday 20th April. In common with many churches our congregation is not growing and we need new members. We have a variety of services; if you haven't been to church for some time or if you haven't been at all how about coming to St Andrew's on a Sunday morning at 1030 to enjoy an opportunity to join us and perhaps find something that is missing in your life.

----- **AND FINALLY!**

The last few months I have been met repeatedly with 'What? You still here – thought you'd gone ages ago'. So I thought I had better let everyone know that by the time you read this in Lookaround I will in deed have gone, having moved on the 28th April.

It is however, with sadness that I have left all my friends here, but I will take with me so many happy memories and appreciation of the support and kindness I have received over the years, but particularly when Colin was ill and dying.

You may be surprised to hear that I will also cherish the memory of some fairly bruising but quite challenging encounters that I had during my time here. I wouldn't have missed any of them!

So – all the best and please do pop in if you are ever anywhere around the Royston/Cambridge area – would love to see you. *Hilary Hodge*

Community Orchard Group Sedbergh

By the time you are reading this article, you should be able to see new fencing and gates in the field above Lupton playing fields off Back Lane, this marks out the area where the Community Orchard will be planted in the not too distant future. Access is on foot from Vicarage Lane, so very central from the town.

We hope that the whole community will come to enjoy the orchard, whether to sit and appreciate the wonderful scenery in peace and quiet, to learn more about trees or to taste some of the delicious produce in the fullness of time!

Our sincere thanks go to Sedbergh School for providing us with the land and to the Sedbergh and District Community Fund, South Lakeland District Council and Cumbria County Council for grants, all of which will go towards the development of this community project.

Our thanks also go to the South Lakeland Orchard Group (SLOG) for the grant of 20 trees and for their ongoing help and valuable advice.

Future ideas for the Community Orchard include bird feeders, bird boxes, bug hotels, butterfly and bee beds, herbs and lavender.

Although the Community Orchard will be open to all, you and your family can become members of the Group for £5 (single) or £7 (family). One of the benefits of membership is that it allows you to attend pruning and grafting courses at no extra cost, so if you have a fruit tree in your garden that needs some Tender Loving Care, give one of us a call and sign up for this exciting new community project.

Please call one of the numbers below for an application form or email sedberghcommunityorchard@gmail.com

Open Morning

Don't have anything planned for early May Day 2nd May? Why not come along between 10 and 12 noon and meet members of the Group? There will activities planned for the children, which all include apples but we also want help to build a bug hotel children, bring along any of the items listed below to make your own room for the hotel. There will also be some light refreshments provided and plenty of interest for adults.

Twine, feathers, old canes, fir cones, bits of old pottery see the drawing for more ideas.

We look forward to welcoming you to the Orchard in the near future.

FACEBOOK

I am trying to make friends outside of Facebook while applying the same principles. Therefore, every day I walk down the street & tell people what I have eaten, how I feel at the moment, what I have done the night before, what I will do later, & with whom. I give them pictures of my family, my dog & of me gardening, taking things apart in the garage, watering the lawn, driving around town, having lunch, & doing what everybody does every day. I also listen to their conversations, give them the "thumbs up" & tell them I like them.

And it works just like Facebook. I now have four people following me:

two police officers, a private investigator, and a psychiatrist'.

On a serious note, Facebook is a useful tool to communicate regularly with people and the "*Sedbergh in Pictures*" and other "*Sedbergh organisations*" are worth looking at on a regular basis.

However, we read that around the country, nasty things are being said to contributors called 'Cyber-Bullying' and action is being taken by the government and organisations to combat this. So Sedbergh folk, please be respectful to others so that we don't go down that road. Life is too short to have it ruined by a few unsavoury comments.

We heard that, sadly, Alf Hooper had died recently after a short terminal illness (his health had not been good for some time). There may be a memorial meeting in Sedbergh at a later date.

The next meeting will be on 17th May and new visitors are always most welcome.

CUMBRIA WILDLIFE TRUST

Winter is over (probably) and the Wildlife Trust reserves have survived the floods very well. A little maintenance is needed but on the whole wild places are good at looking after themselves. It is the human habitats that suffer so badly in adverse conditions. Wild places are generally more resilient. The work the Wildlife Trust is doing, such as restoring bogs and restoring damaged peat in the uplands, is helping to keep rainwater on the land,

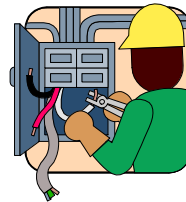

slowing it from cascading downstream into homes.

Now reserves are looking forward to Spring, the most exciting time of the year. Most reserves are open for everyone to enjoy. Our closest reserve is Burns Beck Moss near Killington. This little reserve of raised and valley mires provides a quiet habitat for many animal and plant species and is well worth a visit. A network of board walks allows you to keep your feet dry while you spot birds and butterflies and very pretty flowers.

Slightly further afield is Foulshaw Moss near Witherslack on the A590. The restoration of this large area of wetland is virtually complete, with boardwalks and viewing platforms.

The star attraction is the Osprey nest. The Ospreys have just returned as I write this in April. By the time you read this they may be sitting on eggs again for the third year. Each year so far they have raised 3 chicks – a remarkable record showing just how good the restored habitat is. At busy periods Trust volunteers mount telescopes on the viewing platform to allow visitors a close-up look and there are nest cameras beaming live images to the website. In other parts of the reserve the dragon and damselflies are also spectacular.

Hutton Roof Crags is another reserve within easy reach of Sedbergh. It is one of the best areas of limestone pavement in Britain, with a wealth of beautiful wildlife,

especially rare plants and butterflies. The Cumbria Wildlife Trust website has a downloadable audio trail for the reserve and it is a great location for a sunny spring walk.

Cumbria Wildlife Trust reserves are spread across Cumbria, while Yorkshire and Lancashire Trusts also have reserves easily accessible for a day trip. All of the reserve details and maps are on their websites. Last Winter was horrible. Let's hope that Spring is making up for it by being spectacular. We live in a glorious part of the world but however much you think you know it there is always something new and special to see. Why don't you celebrate the Spring by visiting somewhere new and spot something that you have never seen before or, if you are feeling particularly active and spring-like, look on the website for volunteering opportunities, meet new people and help make our special area even more wonderful.

Concert last year, another such concert is planned during Sedbergh Festival 2016 at 8.00pm on Thursday June 9th in the People's Hall. In view of the crush last year, the number of tickets will be limited, so you are advised to get your tickets well in advance to avoid disappointment.

The cost is £8.00, but those 18 and under come free. You can get them in person from Sedbergh Information Centre (015396 20125, tic@sedbergh.org.uk) or via the Festival website (www.sedbergh.org.uk/musicfestival/), but this will incur an extra charge. The concert is well described on the website, but it is important to note that, included in the value-for-money ticket price are a welcome glass of wine or soft drink, nibbles on the tables and a finger buffet after the music. Further wine and soft drinks will be available at the bar throughout the evening.

Why not gather a group of friends together for the occasion? You can book a table in advance by contacting Sedbergh Pepperpot Club which

supports Sedbergh Orchestra (015396 21196, yantethera@gmail.com). The players have every intention of enjoying themselves and they intend that you will do so too!

There is another treat in store earlier in the Festival, on Saturday June 4th at 10.30am. Not only will you be able to enjoy your mid-morning drink and home-made biscuits in the Church Room at St Andrew's, but also, at 11.00 am, there will be some delightful music played in the Church by talented young musicians whose ages range from 12 to 16 years. The concert will include music by Brahms, Grieg, Rossini, Jay Ungar (Ashokan Farewell) as well folk songs arranged by Kim Robertson and Merle J. Isaac, and Paganini arranged by Benny

Goodman. The instruments featuring will be violins, viola, double bass, harp and clarinet. Some of the performers have made music in Pepperpot sponsored groups, some have

benefited from the instrument loan scheme run by Sedbergh Pepperpot Club - you will hear some of those instruments being played in the concert - and some have done both. You cannot but be impressed by the high standard the youngsters have reached.

There is no charge for this concert, but there will be a retiring collection. Generous donations would be welcome to support the continuing work of Sedbergh Pepperpot Club, now in its nineteenth year.

ROYAL BRITISH LEGION

Information had been received by the Branch from the County Office with regard to The Somme 100 Poppy Community Arts project & installation and the Somme Poppy that is being organised in the Museum in Carlisle. To commemorate each soldier from the Border Regiment who lost their life during the Somme campaign, a poppy will be made and displayed in an art installation at Cumbria's Museum of Military Life. One hundred years ago, communities at home knitted and crocheted 'comforts' for soldiers and to recreate the same support the poppies will be knitted or crocheted

by communities across the County. Supported by the Women's Institute, the museum is encouraging residents of Cumbria to make 1700 poppies which will contribute to a living memorial at the Museum. From 1st July to 18th November, poppies will be attached to rolls of jute which will be unfurled daily to represent the amount of soldiers killed during the 141 days of the campaign. By the 18th November, the Museum will reflect the contribution these men made and provide a sobering reminder of the impact of the Somme campaign on the local population. Any additional poppies made will be sold in aid of the British Legion.

"Last year this branch raised £10,500 for the national Poppy

Appeal. This is a record for our branch and a suitable milestone for John Douglas to relinquish his role of Poppy Coordinator which now passes over to Nick Cross. Each year I remark on it but it is a truly remarkable sum for such a sparsely populated area and great credit to the members of this branch and to others who devoted their time collecting for the Appeal. ensured we passed the sum of £10,000 for the first time. Also a big thank you to the people of Sedbergh who continually go beyond the realms of anticipation in supporting this very valuable cause.

Organised by Chairman John Douglass and Assistant Poppy Organiser Keith Wood, they arranged full coverage at Killington Service Station and ensured that volunteer collectors visited all areas covered by

branch . Once again we owe a debt of thanks to Killington Service Station and staff for their continued support over this collection period. Counting this large sum was a significant effort and again I want thank those who helped and organised it particularly John and Keith. Lastly the storage of all the Poppy Appeal equipment in the Roof-Box Company's warehouse continues to be a real help and our thanks goes to Martin Gray for this generous provision.

I also want thank our Committee for all their efforts in the past year. Again Chairman John Douglass took the lion's share of work on the committee and our strong overall situation is in great part due to his drive and efforts. He takes it seriously and by example

encourages us all to do the same.

In addition Secretary Lt. Cmdr. David Parratt, Treasurer Martin Gray and Committee members, Col. Tony Reed-Screen, Nick Cross, John Estensen, Rose Pease, Elspeth Griffiths, Sandra Gold Wood, Kay Whittle, Ian Christy and Dennis Whicker have given constant support throughout the year to the activities we held. These could not have taken place without their help. My sincere thanks to them all for their efforts.

I must also thank the spouses and other halves of committee members who give their time and support at many of our functions. On behalf of the committee our thanks to them all.

delighted to sign up three new members one of whom, Nick Cross has as you will have just heard become a stalwart on the committee.

Our funds were significantly helped at the two coffee mornings we held last year. In addition to our spouses our thanks must also go to those who helped to make such a success of them with donations, baking and staffing of the stands and tea room . An especial thank you again is due to Sandra Goldwood and once again to Rawthey Rhythm who played outside in Main Street to increase the amount raised.

Thanks to these efforts and donations the coffers of the Sedbergh Branch of the Royal British Legion enabled us to give donation of £ 250

to Byng House in Southport towards the purchase of a replacement bus. Byng House is a respite and holiday center for serving & ex-service personnel. Earlier in July we made a further donation to the Gurkha Welfare Trust following the earthquake in Nepal. We are deeply grateful for the assistance from all of those in Sedbergh and surrounding areas that made this possible.

I now must again thank the Sedbergh Town Band for The Remembrance Concert held in the United Reform Church which was held in atrocious weather. Thanks as always to the memory Alan Lewis it has become an integral part of the Town's calendar and raised £202 for this branch.

Sadly last year we lost member Joan Chamley, wife of Norris. Norris has been one of the key people in this branch and has held all the offices. In those roles Joan gave her full and active support to him. Last spring Jim Airey passed away. He was brother of John Airey, a long serving member on our Committee. Sadly we also lost Commander John Bird, a member for many years. Membership of the Sedbergh Branch of The Royal British Legion now stands at 91.

Our Secretary David Parratt attended the county conference in Penrith earlier this year and returned with news on three fronts that gives encouragement for the future:

Coming to the close I have to thank our Secretary David Parratt and his wife Anne who organised this evening. The choice of venue, the sale of tickets and transport assistance that helped to bring us here together with a new table layout has worked really well. Finally I must thank the staff of Weavers Cafe, Jen, Kate, Andrew, Danielle and Lesley for an outstanding dinner beautifully served in this most attractive dining room.

It just remains, on behalf of our committee, to thank you and all our members for their continued valued support of this important institution. “

MEDITATION CENTRE EVENTS

The Meditation Centre in Dent is offering a new gentle yoga classes to over 65's this month. Yoga is an excellent way to reduce mental or physical stress and to ease aches and pains in the joints and muscles. There is no age limit, all abilities and disabilities and both women and men are welcome to attend. The classes will start with sitting exercises on chairs. Modifications will be given for vulnerable areas, such as hip or knee replacements, and movements and teaching methods will be adapted for disabilities. This class is suitable for people who can sit, walk and stand independently, but who would like to increase or maintain mobility, alleviate general stiffness and

improve co-ordination, balance, strength and overall wellbeing. The first three-week taster course will be 11.45-12.45am on Thursdays, 12-26th May inclusive, in Dent Meditation Centre. Classes cost £5 per class, or £25 for a block of 6 classes (with future dates to be advised). The classes are a great opportunity to get to know, or meet up with other people in the area. There will be a chance to mingle with hot drinks and snacks after the class. For further information about the classes or teacher or find out if they are right for you please contact Elly on 01539 625458 or 07980 130077 or email her on ellyarcher@talk21.com.

fitness, Elly will be offering another new yoga class at the Centre on a Thursday Evening. Body Breath Awareness - Astanga Flow Yoga course is useful for people who have a good level of fitness but would like to develop strength, flexibility and body-breath awareness. If you are healthy and fit, this course is suitable for beginners as well those with previous yoga experience. You will be taught a flowing sequence of sun salutations and yoga asanas, linking each movement to the breath, followed by a five minute seated meditation and relaxation. The sequence is good alleviating stiff hamstrings, upper body and shoulders, increasing strength and reducing stress. The 4-week course

will run on Thursdays 7pm – 8.30pm 5th- 26th May at a cost of £28. On completion you may attend future drop in sessions, or pay £35 for a block of 6 classes.

Also in May, a Hermit from the Himalayas will be visiting the Centre to give a talk. Swami Yogeshwarananda will talking about: 'The Mystery of Silent Awareness'. There will be a Q&A following the talk which is expected to last about 1.5 hours. Swami Yogeshwarananda is a hermit monk of the Advaita Vedanta order of India, who has been living the contemplative life of a monk for the past 50 years. Often living in a cave during the summer at an altitude of 10,000 feet at Gangotri, near the source of the river Ganges, Swami

FAMILY MUSINGS

During April on a sunny day with the daffodil heads dancing in the light breeze our garden looks lovely from every angle, whichever way you look you see splashes of yellow, a thought occurred to me, for the rest year we need flowers in every direction! Usually by now Sweet Peas are coming on from seed and the growbags are warming up in the greenhouse ready for Tomatoes etc this year the nearest I have got is to have Dawsons deliver the said grow bags and buy the seeds, much more fun to play with grandchildren in the garden than work in it although the summer house has been cleaned out and re-arranged and slept in, in the sun, just to make sure the recliner is comfy.

Easter is fun when you are small and the Bunny comes and leaves chocolate eggs and other interesting finds amongst the daffodils and snowdrops and when there are some still to find weeks later, what a good thing Bunny used cling film and no mice got there first. The local toddlers came for what has become an annual event and while bad weather put paid to egg rolling we managed the egg hunt and then went inside for a couple of games of Pass the Parcel. This was very entertaining, for some

of them the concept of 'pass it on' was very hard to learn, for others just taking off one wrapper was a challenge but seeing them all sat there with little hands outstretched waiting to see what was going to happen was a joy to behold.

Quite a number of spiders have been disturbed in the tidy up and clear out of the summer house and the bit-by-bit sorting out in the house but no humans except hubby comes home to hear I need his help to move something into the garage, the thing is .. what happens to it all when I start on the garage? Maybe that is how someone invented the "garage sale"?!

ENJOY your sorting out, spring cleaning or voyage of discovery and may only spiders be disturbed (too late for me!).

PEOPLE'S HALL NEWS

Meetings

The People's Hall Annual General Meeting was held on Monday 4 April 2015 in the Committee Room, when all the current trustees stood down and the following persons were elected to serve until the next AGM:

Constitutional Trustees:

Dr Gina Barney, Mrs Sandra Gold-Wood, Mr Steve Longlands, Mrs Kathleen Swift [Three vacancies].

Representative Trustees:

Mr David Hendrickse (Christian Centre), Mr Ian Hutt (Flicks in the Fells), Mrs Sandra Longlands (Gala Committee), Mr Daniel Mason (Sedbergh Wanderers Football Club), Mrs Anne Petyt (Sedbergh WI), Ms Gillian Rea (Spellbound Theatre). [Vacancy: People's Gym.]

Mr Colin Cowperthwaite has retired and Mr Dan Mason returns to represent the Football Club.

At the meeting the accounts for the year ending 30 September 2015 were approved.

The Chairman, Mr Steve Longlands,

paid tribute to two long serving Trustees, who had not sought re-election. Dr Sean Hobson had served as Treasurer since 2007, succeeding Mr Andy Denton and has stepped down owing to family commitments. Over that period he has faithfully kept the books and he will be missed. The second Trustee is Mrs Elspeth Griffiths, who has served as Management Committee Member, Secretary from 2004 to 2008 and Bookings Secretary from 2008. She has been a tireless worker, stepping in to many jobs when required. Latterly she has supported the Treasurer, when he has been absent. She will be sadly missed. The People's Hall Committee wish them both well in

their retirement.

The retirement of these Trustees leave a big hole in the running of the Hall, see Chairman's letter on Page 16 of this edition of Lookaround.

Following the AGM the People's Hall Management Committee met and elected the Officers for the ensuing year. They are:

Chair: Steve Longlands

Vice-Chair: Sandra Gold-Wood

Secretary: Gina Barney

Treasurer: Vacant

It will be noted that the Treasurer's post is vacant.

Events

The School returned for the summer term on 10th April on a deceptively lovely day.

Nicola Hetherington, who keeps the Chemistry Department in order, married her Julian Cann during the School holidays.

Forty-seven parents and pupils from the Prep School went on a skiing holiday to Bormio in Italy during the Easter holidays

OS Ellie Tempest played polo for England in the Schools & Universities tri-nations held in Ireland.

Casterton archives are to be housed by Kendal Archives (as are Sedbergh School's already) and work is being done on them to prepare them to be

sent to Kendal.

On Thursday, 14th April the School Choir sang Evensong in Durham Cathedral.

The Prep School took part in a sponsored walk in aid of Farms for City Children – 160 children and 20 staff took on a tough 17 km hike over both Casterton and Leck fells, returning bedraggled but happy after seven and a half hours.

There was a concert by Julian Hellaby and Peter Noke in the Thornely Centre on 17 April entitled Two Pianos Four Hands.

Future Events

The official opening of the Pepperpot by Tim Farron will take place at 1pm on 14th May with a sparkling wine reception for anyone

The Wilson Run winners, Johnny Campbell and Phoebe Whatoff, will be featured in the LincsLife May issue on sale on 20th May

There will be a performance of the "The Birds" on 25th, 26th and 27th May by the Classics Department in the Arden theatre

On 27th May the Inter House Tug of War and Cumberland & Westmorland Wrestling will take place on the Powell Pitch, and there will be a private viewing of the Design, Art and Graphics work (the Design work is always worth making an effort to see). Saturday 28th May is Speech Day, followed by Sports Day in the afternoon. Half term begins after the Sports, and the School returns on 5th June.

The home 1st XI cricket matches during May are against Yorkshire CCC Academy on Wednesday, 4th May, against the MCC on Thursday, 5th May, and against Manchester Grammar School on Saturday 7th May. There is a Prep Schools

Invitational tournament on 15th May.

Music

The Prep School pupils gained 13 Distinctions and 5 merits in the London Academy of Music and Dramatic Arts Examinations. In the Upper School James Horan gained a double distinction for Grade 8 Organ and Grade 7 Singing, and Laylah Scott achieved a Grade 8 singing distinction.

Cricket

The first match of the season against Myerscough had to be cancelled due to adverse weather conditions. The second against the Edinburgh School, George Watsons, the following Saturday was also cancelled.

Sailing

The sailors hosted the 2016 Laser Lakeland and Far Norther series on Saturday 16th April

Rugby

The weekend after the end of term saw the Sedbergh Army Tens at

home with 13 schools taking part from as far away as Brighton and Bath, and (as usual) Sedbergh made the final. Their opposition was the Royal Grammar School, High Wycombe, who had been runners up for the last two years. This time it was third time lucky and it was Sedbergh who had to be content with runner up

The Prep School VII won the IASP Sevens

Charlie Gowling played for Scotland U18 against England on 2nd April and James Botham for Wales U18 v Scotland. Max Davies and Sam Moore play for England U18. Charlie Papworth captained the Welsh Academicals v Scotland at the Eirias Conwy U16 International Rugby Festival.

SEDBERGH COMMUNITY SWIFTS

"They're back!" the message goes around when our swifts return once more in early May, after their epic 7,000 mile journey back from Africa. The joyful sound of the screaming parties as they fly high in the sky is truly a herald of summer, and it is often this that alerts us to their return.

If you are lucky enough to have swifts nesting in your house, please celebrate your good fortune. As someone said recently: *'If you wrote an advert for a house mate, you couldn't wish for better than swifts. They don't make a mess, are only around for 3 months of the year, and devour thousands of midges and other insects each day.'*

The breeding swifts are the first to arrive, homing in to the nest site that they haven't seen for 9 months. It is the prospecting swifts, those that are not yet old enough to breed (2-4 years old), that we are hoping to tempt to the various boxes and nest bricks that have been put up, and they tend to arrive later. They will be looking for nest sites for future years, and practise their technique by repeatedly flying up to entrance holes, and sometimes even clinging on to stonework or boxes for a second or so.

Eggs tend to be laid by the end of May, with chicks hatching around the middle of June and the young fledging at the end of July. Both adults return to the nest each night, which is why the hour before dusk can be a good time to spot them darting into their nest sites. Once the chicks have hatched the adults can be seen at other times of day too,

returning with throat pouches full of insects.

An excellent project has been completed at Settlebeck School, who are enthusiastic about helping swifts, with no less than eleven boxes being put up in 4 different places at the school. Because of the height, a scissor lift had to be used and we are grateful to Gary Allan who did the job admirably on a very cold day. The boxes are on a front gable overlooking the drive, on a side wall facing Maryfell flats, and on a gable at the back, above a balcony, overlooking the garden and tennis courts (easily visible from the public path between the tennis courts and the school). Three of the boxes are on the back of the Cottage,

overlooking the primary school playground, so the children there will be able to take part too. We thank the YDNP Sustainable Development Fund for supporting this project.

We now hope that the school children and staff will keep a vigilant eye on the boxes to see if any swifts are prospecting. Swifts, like all wildlife, are unpredictable, so the more people who keep glancing at the boxes, the better. If you are passing by it would be a great help if you could let us know if you see any swifts there – ring or email details below.

The same goes for the swift bricks at the People's Hall (in the gym's end gable, facing Woodside Avenue). Lots of folk use the playing field and playground, so keep looking up and tell us what you see.

We would also like to hear from you if you see any screaming parties of swifts anywhere, ie. low-level tightly-

knit groups of swifts hurtling past. They are an indication that swifts may be breeding nearby.

We are also still keen to discover more places – in Dent and throughout the district as well - where swifts may have natural nests, and we could do with more helpers. If you would like to help, but maybe are a bit unsure about swifts, come along for a brief session watching the swifts that breed under the eaves at Sedbergh School library, facing Loftus Hill car park. Meet us in Loftus Hill car park on Thursday May 19th at 8pm (weather permitting). We

may also have a short walk to other sites, especially if it's fine. Contact SCS to check on the time.

As always, if you have any building work planned, please use the opportunity to put up swift boxes. The aspect (N/S/E/W) does not matter, so long as there is a clear fly-in (no big trees in front). We're happy to call round and advise if you wish.

We will be at Sedbergh Gala on Saturday May 21st, next to the YDNP tent, so do please pop along and have a chat.

Next month we will be able to report on a very exciting project in Sedbergh

**WICKERFISH ARTS
@ FARFIELD MILL**

Although they have been in Sedbergh for a few months now, Ruth and Stuart have only recently opened the doors to their new Art studio, Wickerfish Arts, at Farfield Mill.

They have known and worked together for many years both in education and as practising artists. They have what has been described as 'a friendly rivalry' which is evident by the banter that flies between them.

They are delighted with their studio at Farfield which is situated on the 'heritage' floor. Here they display their paintings and hand-made clocks. They both work in separate corners of the studio with Ruth's being the tidier

of the two. Stuart prefers to work in what he calls 'creative chaos'

Ruth Kidd qualified as a Graphic Designer at Leeds Metropolitan University, specialising in illustration, in 1986. She then gained a teaching qualification at Manchester University.

Since then she has spent time as an Art teacher working in high schools, several colleges and even a prison! Ruth ran the successful Art studio, 'Wickerfish' at Cedar Farm Galleries, Mawdesley, Lancashire for 12 years where she taught adults to paint and draw as well as displaying her own paintings to sell.

Even though Ruth paints in a variety of media, she specialises in 'watercolour.'

Stuart Gray has been an illustrator and graphic designer since leaving college in the early seventies. He worked in several studios including being an exhibition designer in Northampton before becoming a lecturer at Wigan School for the Arts in 1994.

He retired from being a lecturer a few years ago and started to work with his partner Ruth Kidd at Wickerfish, teaching adults the basics of drawing and painting.

They closed the business in January 2016 to move up to Sedbergh. Stuart works with different media but his specialism is acrylic.

Since moving their business to Sedbergh, Ruth and Stuart have found a new found enthusiasm for

their work because by reducing their teaching commitment they have been able to dedicate themselves to their first love of painting.

Ruth's recent work focuses on 'water' in all its moods and forms. She tries to capture it's energy and movement. She is currently working on a lifeboat scene where the vessel is at the mercy of the sea.

Stuart in total contrast is more of an illustrator and has just completed an acrylic study of a pair of boots, one brand new shiny red boot contrasted with an old army boot which has seen better days. This painting has sparked off an interest in these detailed studies and he intends to complete more of these in the future.

Ruth and Stuart still demonstrate art in the Sedbergh area and are developing their 'walk and draw' weekends which they call 'Wickerwalks' These are days and weekends where Stuart and Ruth bring together the pastimes of drawing, painting and walking by encouraging sketchbook work on the guided walk and on the second day Ruth demonstrates and helps students create a larger finished

WESTERN DALES BUS

Summer Services

Western Dales Bus is starting a new service this summer. On Fridays, beginning on 5th May, the bus will connect Sedbergh and Dent with Ravenstonedale and Kirby Stephen. On this route – numbered S4 – it will also connect with both the 1034 train from Leeds and the 1250 train to Leeds at Kirkby Stephen station.

The Tuesday service to Hawes – now numbered S3 – will continue as at present with slight changes to the

timings. From the beginning of May, the outward journey times are all 15 minutes earlier, so that the bus will now leave Dent at 0930 and Sedbergh at 0945, with the return journey leaving the Hawes Countryside Centre 25 minutes earlier at 1235. These changes will enable the bus to take passengers to Garsdale station in time to catch the 1302 train to Leeds.

On Sundays, the service between Dent station and Cautley – now called S2 – will be running again as it did last summer, with the addition of extra return journeys between Sedbergh and Dent at lunchtime, leaving Sedbergh at 1145 and 1615, and Dent at 1210 and 1645.

The Saturday service – now S1 – between Sedbergh, Dent station and Kendal will continue as before, but there will be a special Early Bird fare for those who travel into Kendal on the 0815 service from Sedbergh. See

advertises on pages 50 & 51 for details. Other fares on this and other services remain unchanged.

Full timetables for all these services can be obtained from the Western Dales Bus website at www.westerndalesbus.co.uk, from the Sedbergh Information Centre and from cafes, pubs and shops in Sedbergh and along the routes.

LUNESDALE AGRICULTURAL SHOW

Tuesday 9th August 2016 – A date for your diaries!

The Lunesdale Agricultural Society would like to reassure the public that the Show will go ahead as normal in 2016 with all the usual Livestock, Horse and Dog classes, and the full range of entertainments, craft, catering and trade stands.

Many of you will have seen or heard about the extensive levelling works which are part of ground improvements at the KL Rugby Club. This affects the area usually used for horse box parking at the show. The wet weather over the winter means the grass sward will not be sufficiently well established to support horse boxes for the 2016 show, so we are grateful to Philip Pease of Underley Estate for allowing us to use a field about 300m to the north-east of the show ground for horse box parking. Horse boxes for carriage horses and agricultural horses will be able to park on the main show ground as normal.

For more information about the show please see our website at www.lunesdaleshow.org.uk or contact the Secretary by email info@lunesdaleshow.org.uk or phone

07444403982

In the meantime you are all invited to a fundraiser with food, drinks, fun and games for all the family: The Lunesdale Agricultural Society Cheese and Wine Evening, at Underley Grange, north of Casterton, courtesy of this year's Show President Philip Pease from 7.30pm on Saturday the 7th May. Further information is available from Sarah Fulwood 07834 03971, at Kitriding Farm.

YORKSHIRE DALES MILLENIUM TRUST

What's your favourite view of the Dales?

Budding photographers with a love of the Yorkshire Dales are invited to take part in a competition to find some of the very best images that showcase the landscape, wildlife and communities of the Yorkshire Dales throughout the seasons.

Local charity Yorkshire Dales Millennium Trust (YDMT) has teamed up with holiday cottage specialist Yorkshire Cottages for the fourth year running to find photographs that celebrate the beauty and character of the Yorkshire Dales.

The winning photographer will receive a hamper of local produce,

whilst the runner-up will scoop tickets to a top Dales attraction, courtesy of Yorkshire Cottages.

Drew Dunn, director of Yorkshire Cottages said: "We are proud to support YDMT and have donated over £16,000 over the last ten years to support a range of projects that benefit the area. Our joint photo competition has become an annual tradition and we are delighted to facilitate this again: it's a great showcase for the Dales."

The competition will be judged by Steve Finch, a professional local photographer and longstanding supporter of the charity.

Steve said: "The Yorkshire Dales has provided inspiration for my own photography for many years. I never

tire of this fantastic landscape, and I'm looking forward to seeing other peoples' favourite views through the competition. However, having seen the quality of some of the entries so far, I think judging could prove to be a tricky task!"

Sarah Pettifer, Communications Officer at YDMT, added: "In addition to selecting these overall winners, we'll also be choosing some of our favourite images to feature in our 2017 Yorkshire Dales charity calendar. So if you enjoy capturing the Yorkshire Dales on camera, then I hope you will enter our competition and share some of your favourite views with us."

The charity calendar will be on sale from August and all money raised will

help to support YDMT's work sustaining the landscape, environment and communities of the Yorkshire Dales.

Photos can be submitted via Yorkshire Cottages' Facebook Page [facebook.com/yorkshirecottages](https://www.facebook.com/yorkshirecottages) or website Yorkshire-cottages.info or via the YDMT Facebook page [facebook.com/ydmt.news](https://www.facebook.com/ydmt.news)

The competition closes at midnight on 16 May 2016.

pathways, shelter and food for wildlife all year round.

By empowering communities and helping people to engage with and conserve their local wildlife, the new Meadow Links project aims to build 'stepping stones' between existing fragmented wildlife havens to enable the movement of species.

Local charity Yorkshire Dales Millennium Trust (YDMT) will work in partnership with Buglife, Yorkshire Dales National Park Authority (YDNPA), Natural England and community groups on this initiative to help wildlife thrive.

Tanya St. Pierre, Meadow Links project officer at YDMT, said: "As part of this project we'd like to work with community groups in the Yorkshire

Dales to create ten flagship meadows. We'll help groups to create a wildlife meadow in their own community space, provide funding for equipment and 'Sow, grow and mow' practical training sessions to enable groups to maintain their meadows in years to come. So if you have a group of willing volunteers and an accessible public space about the size of a tennis court, we'd love to hear from you."

Homeowners and landowners are also being called on to help create 30 additional wildlife patches that will act as stepping stones at strategic points to extend the wildflower highways. These patches can be any shape or size, from linear hedgerows and verges to small back gardens, and

could incorporate bird boxes, hogitats (hedgehog habitats), ponds and wildflower areas to support wildlife.

Tanya added: "Since the 1930s we've lost 97% of the UK's hay meadows. Iconic Dales' birds such as the curlew have declined by 42%, 60% of England's flowering plants are decreasing and overall a staggering 60% of UK wildlife is declining. The wildlife patches will give nature a helping hand by connecting fragmented habitat and providing important feeding and nesting sites for our wildlife. Prizes will be awarded for the most innovative design features and best overall wildlife patch, so keep photo diaries of what you've done!"

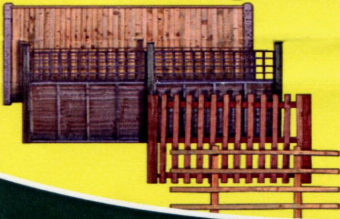

Conservation work undertaken

through the Meadow Links project will be mapped and recorded onto the ecological networks and connectivity GIS systems for the YDNPA and Buglife's national B-Lines database. This will help provide a clear picture of the work done, and the areas where further action needs to be taken to create a cohesive and resilient network for wildlife.

Paul Evans, B-Lines Manager at Buglife, said: "Here at Buglife we have mapped the existing network of wildflower-rich pathways – or B-Lines - that crisscross the UK's countryside, towns and cities. By creating new wildflower-rich habitats in strategically important locations across the Yorkshire Dales, the Meadow Links project will help to extend and

New app helps lead mining come to life in National Park

History buffs wanting to learn more about lead mining in the Yorkshire Dales National Park can now use technology to help them as they go out and about.

A new, free phone app has been launched by the Yorkshire Dales National Park Authority (YDNPA) that includes walking routes around sites of old mines and masses of information and photos about the industry and the impact it had on the landscape and communities within

the National Park.

Karen Griffiths, the Authority's Interpretation Officer, said: "For decades, lead mining played a massive part in the shaping of the landscape and the communities in the National Park.

"This free app, which has been mainly funded by Historic England, is an absolute must for anyone who wants to learn about the industry while they are actually walking around the sites. It's like having your own personal tour guide.

"Among other things, the app contains archive images, descriptions of the sites and OS location maps of key sites ranging from Grassington miners' cottages to the Old Gang peat store in Swaledale. There are also audio trails, walking routes, activities for children and useful visitor information such as places to eat, accommodation links, public toilets and car parks.

"Looking after these extensive industrial remains is not easy and we are grateful to Historic England for helping to fund so much of the conservation work carried out over the past 20 years. Recently this work

has been managed through the Yorkshire Dales Industrial Monument Management Scheme, which began in 2012 and is due for completion in 2016."

Yvonne Luke, Heritage At Risk officer at Historic England said, "The app is fun and easy to use with photos that help bring the sites to life so we think it will appeal to a wider audience than traditional history books. This is also our way of saying a big thank you to all the volunteers who have worked so hard conserving these fabulous landmarks in the Dales. We hope people enjoy the App and feel inspired to look after these special places for future generations too."

The lead mining app can be used on iOS and Android platforms and is available at

YORKSHIRE DALES NATIONAL PARK

Local housing boost in National Park

Housing for local people in the Yorkshire Dales National Park has been given a boost after planners gave the thumbs up to two schemes.

Members of the Yorkshire Dales National Park Authority's planning committee unanimously approved a scheme to demolish existing buildings and put up five local occupancy homes in Kings Yard in Sedbergh.

The plans also include the construction of a two-storey

commercial building containing six units to be occupied by service sector businesses.

The meeting heard that the application had the support of Sedbergh Parish Council, South Lakeland District Council and Historic England.

The second application – for the conversion of a roadside barn at High Beeston Barn outside Kettlewell into a two-bedroom home for local occupancy – was also approved unanimously.

Both approvals are subject to a number of conditions.

Carl Lis, the Authority's Member Champion for Sustainable Development, said the National Park Authority's new, updated Local Plan

contained more flexible guidelines to promote local affordable housing and to help communities face the future.

“Members have been unanimous in supporting the new Local Plan and they are already using the more flexible policies that it contains to approve new housing and roadside barn conversions for local people.

“Schemes like the two approved today not only benefit local people who want to live and work in the National Park but they also support local jobs and so benefit the local economy.”

The Local Plan, which is the Authority’s 15-year strategy for sustainable development in the National Park, has been formally

submitted to the Secretary of State for Communities and Local Government. An inspector has now been appointed to examine whether the Plan is justified by the evidence, conforms to national policy and is otherwise effective and fit for purpose.

The inspector will chair a series of public round-table hearings later this year with objectors and officers of the Authority and will then write a report of examination that will be published by the Authority, probably during summer. The Authority is hoping for a positive outcome so it can adopt the new plan and fully implement it to support sustainable development in the National Park.

B4RN

Broadband Update

Last month our broad brush account outlined the scheme. We can begin reporting progress now.

The beginning of everything is to get fibre up Barbondale from Casterton. The technical people call this setting up the "backhaul", which means making the link with the wider B4RN network to the south. Tim Wood is leading this effort and is working closely with the Casterton and Barbon groups, and with local landowners who are giving full support. Crucially, the resources for this work are now available which is substantial progress.

Permission has been received from Dent School Governors to place a

'cabinet' on Dent School property.

This cabinet will house the incoming fibre and have a function equivalent to that of a telephone exchange. The exact site is being chosen at the moment.

There is important movement on the funding front, funding that is for the extended network. Applications are being submitted, and we should know soon how they are being received.

A final note on the finance side concerns local backing. To date, a total of £18,000 has been offered by people living in the dales, and this is before any invitation to give financial support has been put out. Belief in this project is coming through clearly; this cash is evidence, as is the extended team of 35 or more

volunteers now involved.

In preparation for digging, preliminary routing maps for the network have been devised. These will be used as no more than starting points for discussion between landowners and team leaders, so that the most convenient and the best routes can be settled on. It's landowners who know their land and can make sure the right decisions are made.

Lastly, there's been discussion as to the most suitable way to describe this broadband initiative. 'Superfast' is a word that gets used all the time, and the speeds claimed in association with it are between 24 and 80 megabits. The B4RN service of fibre (not copper) to everyone's door

provides 1,000 megabits, a service that can justifiably be thought of as 'futureproof'. So 'Hyperfast' seems the appropriate term. Hyperfast Broadband for Dentdale & Garsdale it is then.

small orchestra, ranging from a Monteverdi motet from 1650 to a work composed by Peter Maxwell Davies in 2010. There are also two settings of the *Magnificat*, by Zelenka and Schubert, and motets by Bach's contemporary Telemann. Perhaps the highlights of the evening will be two lovely, contemplative choruses: Brahms' *Sacred Song* and Beethoven's *Elegiac Song*.

The choir meets for just five weeks to prepare each programme and specifically caters for singers who want a short burst of intensive preparation for each concert. The conductor, Owen Davies, has in recent years stood in as conductor of two local groups, directing the Sedbergh Singers in the 2015

programme including Beethoven's Mass in C, and the Dentedale Choir in their current 40th Anniversary season.

The concert begins at 7:30 in St Andrew's Church. There will be a retiring collection. *Owen Davies*

former bears bell shaped, white flowers which hang from the bare stems just before the new leaves open and the latter has panicles of creamy white flowers (rather like very open lilac flowers)born with the fresh green leaves.

Some of the most colourful shrubs at their best at this time of the year are those with brightly coloured spring foliage. Look for *Pieris* 'Forest Flame' and *P.* 'Firecrest' both of which have evergreen, dark green leaves and bright red, fading to pink, then cream, new foliage. *P.* 'Flaming Silver' also has red new growth but matured leaves are margined with white. *Physocarpus*, a shrub resembling a currant bush is another

excellent foliage plant with two colour forms. *P.* 'Diabolo' has deep, plum purple leaves which make an excellent foil for many other plants. I like the combination of this and pinky purple flowers of "Martagon Lilies" and an under planting of "Lily of the valley" and blue/pink flowered *Pulmonaria* (Lung wort). *Physocarpus* 'Luteus' is a bright golden yellow leaved cultivar which looks at its best in light shade. The leaves burn and brown at the edges if exposed to full sun.

Rhododendrons are, of course, coming into their own this month. Well planted woodland gardens in the Lake District area often include some of the more unusual species and *R.*

macabeanum is one of the most striking. Flowers, in large round heads are yellow, fading to cream, and are born above the big, (1ft long) woolly backed leaves. *R. falconeri* is similarly impressive with yellow, purple blotched flowers and massive, broad, deeply veined leaves, dark green above, and felted, rusty red undersides.

The Lake District soil (acid) and climate (moist!) is ideal for many of these plants. Good gardens to visit are Stagshaw (National Trust) near Ambleside, and Holehird at Troutbeck.

MARCH WEATHER

Well March “many weathers” certainly lived up to its name! We had

a bit of everything including, surprisingly, an official drought when we had 14 dry days!! We actually finished up with 3.22 inches (82mm) of rain, which was more than enough to keep the mud going even after such a dry spell, which shows how high the water table still is. Atmospheric pressure varied which was reflected in the variable winds recorded with maximum gusts from 20.6mph to 7.4 mph. Maximum temperatures varied from a high of 60.6F (16C) to a low of 41F (5C). On the minimum side these varied from a low of 25.9F (-3C) to a high of 41.7F (5C). On all but 3 nights the wind chill took temperatures below freezing.

The cold weather rather held back the spring somewhat. The snowdrops

continued to flower and later in the month the daffodils put on a golden show. I say that but although that is the overall picture we have many shades from white to near orange and types from singles to complex doubles. This reminds me that many, many years ago we had a nice double daffodil and a very dark orange narcissus in our garden. I thought it would be nice to have an orange double. So I set about trying to produce one. I duly transferred the pollen from one to the other then covered up the flower so no further pollination could take place. Eventually the flower faded and seeds developed. When these matured I collected them and when

Imagine my disappointment when the resulting flowers were nothing like either of the parents in colour or shape!! Back to last month. Although there has been a slight increase in bird activity nothing like the usual visits at this time of year though a neighbour is getting plenty of activity. I wonder if the woodpigeon and collared doves are driving the smaller birds away? The buzzard that has been in the field on a regular basis recently has moved on. Perhaps that's a good idea with lambing due to start soon. We have had yet more baby rabbits in the

Its been a busy couple of month for Sedbergh Young Farmers, with competitions, meetings, social events, activities and fundraisers. We are always looking for new ways to raise money for club funds and for charity, so this year we did a number of fundraisers to raise money with brilliant turn out from members, family and friends, we did the following fundraisers BBQ, Domino Drive, Bonfire Night, Pie and Pea Supper Quiz Night, Coffee Morning and Jumble Sales. This year we plan to

give a donation to North West Cancer Research and Sedbergh First Responders and I must thank everyone for their continued support at these events.

May is one of the busiest months for Sedbergh Young Farmers with the Annual Tug of War competitions and Field Day this year being held at Whicham.

QUEEN'S GARDENS

The gardens are bursting with life at this time of year. A pure cacophony of bird song, a great place to get away from the busyness and immerse yourself in the sights and sounds of nature. Obviously we are spoilt for such areas in Sedbergh. But the gardens offer a rare woodland experience. With some impressive trees and shrubs accessible along wide, flat paths, parking off Queens Drive. Laid out by Thomas Mawson, an eminent garden designer of last century particularly in Cumbria, where he was responsible for many other gardens, our little gem has suffered some neglect and nature has taken full advantage. The Parish Council have decided we need to decide what is the future for the gardens and will be discussing this at their meeting on 10th May. They were gifted to the people of Sedbergh, to celebrate the reign of Queen Victoria, so you should have a say in their future. A valuable wildlife haven, a great tourist asset, a quiet place, it's up to us to decide.

There were fifteen (wooden) red squirrels put in the gardens for our squirrel trail. Did you find them all? If not they're still there, unless they've followed Pinocchio and become real.

YOMP CHALLENGE

"The Yomp Mountain Challenge" takes place this year on Sunday June 5th. Organised by The Rotary Club of Upper Eden, there is a choice of three courses over the fells above Kirkby Stephen, 23 miles, 11.5 miles and 6.5 miles. For the short course, a Cumbria Classic bus takes entrants to the starting point at Tailbrigg Hill. Every entrant is given a recorded number and electronic tag for timing and identification purposes, plus the courses are marked and have manned checkpoints. There are the serious runners, fun runners and people who just enter for the walk, something for everyone, young or old. You choose.

Over the years the Yomp has raised

many thousands of pounds for charity with all profits raised through entry fees and donations raised from sponsorship going to nominated Yomp charities, this year they are Parkinsons UK, Ankoma (Ghana) Village Project) and the Kirkby Stephen Guides and Scout Groups. The Yomp also allows entrants to raise money and funds for their own clubs, schools or charities through their own sponsorship, so enabling funds to be raised for other worthy causes.

The Yomp is sponsored by Builders Merchant; JT Atkinson and the Rotary Club thank Kirkby Stephen branch manager Alan Barr for their continued support.

INFORMATION CENTRE

Food & Sports information

At the Information Centre we are often asked about food outlets and sporting opportunities in Sedbergh.

To improve our response to such requests the Centre now has two loose leaf files. One entitled Food outlets in Sedbergh and the other

Sport in Sedbergh. Some information is already held in both.

Food outlets and sports clubs now have the opportunity to update the information we hold by coming to the Centre and placing their new information in these files.

It is hoped that this information will increase sales and memberships in the Town.

2016 this will be bigger than ever and so has been moved from the Friday night to the Saturday.

The gates open at Buckbank Farm at 12 noon and the Races start at 2:30pm for women and 4pm for men.

Having been selected as a fell running championship event it promises to attract many of the very best fell runners from around the country. Already Howgill Harriers have received close to 300 entries. It is a great opportunity to watch and run with some truly talented athletes and hopefully can be a successful event in the busy Summer schedule for Sedbergh this calendar year. It should as usual also be a great family day out with races for all ages and a great social occasion. Hopefully see

you there.

JUNCTION 37

Some of you may be aware that every now and then I take up the cause for improving the safety of junction 37 of the M6. After recently witnessing the aftermath of yet another accident there and again witnessing lorries travelling straight across the A684 from one slip road to the other, I have again contacted Highways England and Tim Farron, since no improvements came about after my correspondence with them last year.

I would be interested to hear from anyone who has experienced accidents, collisions or any other dangerous manoeuvres at this

AGE UK LUNCH CLUB

Thank you to the staff at The Dalesman for looking after us during the first three months of this year, while the Red Lion was closed. In April we were warmly welcomed back to the Red Lion by Aileen and Eduardo, the new managers, and we all enjoyed a good meal together.

There is plenty of room for more people. If you are over 50 years of age and would like to join us, do come along. We meet at midday on the second Thursday of each month, for a two-course lunch at £9 a head.

Please get in touch with me on Sedbergh 20438 if you would like to come. I already have the menu (a choice of three main dishes and three puddings) for May 12th and will be ordering the meals on May 11th, so I need to know by then how many meals to order. *Mary Gladstone*

WALKING & CYCLING GROUP

On Monday the 23rd May the Sedbergh Area Walking and Cycling Group will be hosting the next in their series of free public talks entitled Talking the Walk – Adventures on Foot at Home and Abroad. The talk will start at 7:30pm at the People's Hall, Sedbergh.

The Yorkshire Dales National Park

Authority's Head of Ranger Services, Alan Hulme, and Local Area Ranger, Paul Wilkinson, will speak about the work of the YDNPA – especially in relation to the maintenance of rights of way and how this work is carried out at a local level. They will also address the issue of the extension of the park into new areas.

Before moving to Garsdale, I was actively involved in 2 share clubs and thoroughly enjoyed the experience but travelling back to Nottingham to attend meetings is proving too much.

I am looking to set up a club, based around Sedbergh, meeting every other month in a local hostelry and am looking to recruit 20 to 25 members, of any age and gender. The rules setting up a club are fairly flexible but generally consist of starting with a name, organising a schedule of meetings, electing a chairman, secretary, treasurer and possibly a trader, and deciding rules of membership.

Once the organizing is done, regular

meetings occur usually every 2 months and last around an hour, followed by a meal. After the usual reports from officers, three nominated members propose a share, backed by research, and a vote is taken on which share to buy. Three more members then 'volunteer' to propose a share for the next meeting.

Each member invests a set amount each month, usually around £50, which allows at least £2,000 to be spent on shares at each meeting. As the portfolio builds, dividends are accrued and shares may be sold to either be taken as a windfall or to be reinvested in more shares.

Experience in share dealing is not

necessary, some of the fun is learning as you go along and there are many free websites and newspaper columns to guide and help you. Above all, the meetings are all about having a good time socially and generating an interest in the stock market.

CUMBRIA WILDLIFE TRUST

Hedgehogs need your help – new Cumbria Wildlife Trust online survey

The once common hedgehog is now under threat. The loss of hedgerows, tidier gardens and an increase in the intensification of farming in our agricultural landscape are all reasons for the decline in hedgehogs.

In just the last 10 years, hedgehog numbers have fallen by 30 percent, and there are now thought to be fewer than one million left in the UK.

All the above crimes- CSI attended and enquiries are still ongoing with them. House to House was carried out along the street at all premises. A loud bang was heard around 2am. If you have any information then please ring 101. 14/4 – Cold callers reported selling eggs on Maryfell.

Sedbergh and Dent are very proactive as a community. Numerous residents ring in suspicious vehicles, expertly giving the registrations so we can do follow up enquiries. A big thank you.

We have had complaints regarding Dog fouling in the area, especially

Vicarage lane. Ourselves and SLDC will be monitoring all those who walk their dogs and checking that they are carrying bags to pick up their dogs dirt. SLDC will also be checking that your dog is microchipped.

If you fail to pick up then you will be issued with a £75 fine!

We have had a great response regarding our future operation involving members of the public taking up surveillance points and working closely alongside the police to combat rural crime/travelling criminals. This will take place towards the back end. If you would like to get involved then please email myself for further information.

EDITORS COMMENTS

My error for last month was putting Olivia Davies in April when it should have been this month. Happy Birthday Olivia.

Another two new Advertisers this month with Louise Thompson Photographer and Nutrimeat. Give them your support and please mention Lookaround.

LOOKAROUND INFORMATION

The Sedbergh & District Lookaround is edited, published & distributed monthly by Dennis & Jacky Whicker & is printed by Stramongate Press. The content of The Lookaround does not reflect the views of the Editors.

Whilst every effort is made to ensure that information is correct, the Editors cannot accept any responsibility for any inconvenience caused through errors or omissions.

Copies are available from Sedbergh Information Centre, Sedbergh Mini Market, Post Office, Spar, Dent Stores & Barbon & by Post (please enquire). All items for Lookaround must be sent to the Sedbergh Information Centre at 72 Main Street, Sedbergh or deposited in the Lookaround Post Box there or sent to

editor@sedberghlookaround.org.uk

ADVERTISING

For the benefit of advertisers, the following information will assist you.

If you wish to place an Advert in Lookaround, please include the correct money or cheque with the details & place it in the Post Box. A receipt will be issued & left in the Lookaround Tray in the Office for collection or include a SAE.

Our distribution area is the LA10 Postal District which is Sedbergh & the

surrounding villages, but it is sent all round the country & the world.

We are published on the 1st of every month (except January).

February to November is printed black ink on white. The December/January issue is in full colour. All copies have a full colour cover to indicate a new issue & photographs are requested from our readers who will be credited.

We do not have whole page adverts but will allow two half page adverts opposite each other.

The Front Page is given priority to Event Adverts relevant for the appropriate month.

You can supply the information & we can create an advert for you. You can supply an example in hard copy & we will reproduce it (please mention if a particular Font is required). You can

supply an original using Microsoft Publisher, a Word, a jpg or as a PDF.

If you order numerous adverts, the content can be the same every month or it can change if you are seasonal.

The closing date for new Adverts is 15th of every month. Renewed adverts & articles are 19th of every month.

Advertising rates have been updated: December 1991, December 1995, March 1997 & August 1999. (over 16 years ago.)

PERSONAL MESSAGES

These are £1 each & are for sending Good Wishes, Thank You's, Birthday Greetings, Anniversaries & any other celebration or congratulation. You may also sell personal items - not on a business basis, & also make an appeal for wanted items.

Please submit legible writing as many mistakes have been made in the past due to not being able to read properly.

GROUPS AND ORGANISATIONS

Any organisation that charges an admission, sells items or requires a donation from the public for anything at their event & wishes to include details in *The Lookaround*, are requested to place an Advert with us. This can be supported by text which cannot all be included in the advert. Any report *after* the Event is free. The request for payment for an Advert is to assist with financing *The Lookaround* which has a large printing expense every month. We feel that the Advertising Rates are very reasonable. All Adverts for Events automatically have the details entered into the Diary Page at the rear of *The*

Lookaround. If organisations do not wish to Advertise with us, details of the Event will still appear on the Diary Page, but no text will be inserted.

BUSINESSES

Adverts for the Rent or Sale of property are not Personals & can only be included as a boxed Advert.

If you are a new advertiser in *Lookaround* & you order 3 or more adverts, you will receive one free advert & can also include some text explaining who you are, what you are, where you are, etc (which can not all go into an advert) up to about 550 words for free.

If you have more than 3 months of advertising, we will automatically send a renewal reminder should you wish to continue. If you order 10 months, we give you one free (making one whole
